

Winter Newsletter

Volume 1, Issue 1 - Winter 2009

Holiday Greetings!

I wanted to get my first newsletter out before the year ended, and wish everyone a Merry Christmas and a Happy and Health New Year!

I also wanted to let you all know, how thankful I am for making my year so great. You, my clients are amazing and I want to give you all a big **Thank You** for your business!

fading. The kids will be bigger, and into their own lives.

Although it's a little late for outdoors pictures (unless you're a winter sports type of family) - great portraits can still be done in your home, where everyone is comfortable. People spend a lot of time and effort to make their homes attractive, and comfortable for living in. Be proud and include where you live in your portraits.

Call **Susan Strackholder Photography** at 613.277.0683 before January 15th, 2010, to book a family portrait session in your own home, and you'll save **10% off** the regular price. (Packages starts at \$199 for sitting and print packages before discounts.) And you'll have memories that will last a life time.

Family Portraits It's never to late...

I've retouched a number of pictures that have been in families for many years. What that tells me is that people treasure those images of their own or a family member's past.

It's hard to restore or even show a picture that was never taken in the first place.

Don't let the time, which is now get away from you. Tomorrow becomes next year, we all get a little older, and the memories we build will be

Photo of the Month

This little guy was just a treat to photograph and he was so eager to please. Remember your pet next time

Greeting, Thank You & Announcement Cards

I will be starting a new line of photo greeting, thank you and announcement cards in the new year. Look for more information and samples in my next newsletter.

Random Fun Facts

Here are some random fun facts that I came across and wanted to share with you. Feel free to share with your friends and family over the holiday season.

- Sitting too close to the TV will not ruin your eyesight.
- Snakes are true carnivorous because they eat nothing but other animals. They do not eat any type of plant material.
- Turtles can breathe through their butts.
- The average person will spend 2 weeks over their lifetime waiting for the traffic light to change.
- Swallowed gum is not digested by the gastrointestinal system, it usually passes through within 24 hours.

Gift Cards Now Available!

Now offering **Gift Cards** that you can use not just for Christmas, but for Baby Showers, and Wedding gifts. Look for **\$25** and **\$100** Gift Cards soon.

Thanks for the Referral!

A heartfelt thanks goes to Jennifer Murphy for her referral. My business continues to flourish because of amazing clients like you!

In Closing...

I would like to take this opportunity to thank you for allowing me to be a part of your family this year. I look forward to spending time with you again next year.

Wishing you and your family all the best, and may all your wishes come true this holiday season.
